

Grayce + Businessolver Pinnacle Partnership

We are proud to have Grayce as a partner. This relationship, grounded in empathetic experiences and state-of-the-art innovation, combines Businessolver's benefits administration expertise and Grayce's full spectrum of care solutions to create one place for your employees to engage with their benefits, as the ultimate family care solution.

Solving Care Needs

For the 3 in 4 employees caring for others—or struggling with their own care needs—Grayce is the only complete, end-to-end family care solution, allowing your talent to thrive at work without compromising on their obligations at home.

Our Relationship

It's important that we help our clients offer their employees benefit options that fit a variety of lifestyles and needs. Our partnership with Grayce ensures that employees have a diverse suite of benefit options through the Benefitsolver® ecosystem that provides solutions that are tailored to employee's needs, when and where they need them.

Together, Businessolver and Grayce offer your employees access to the care resources they need, and a solution that makes full use of your existing benefits ecosystem, increasing appropriate utilization of relevant programs by 58%. This solution is easily accessible within Benefitsolver, where they expect to, and already go to activate on their benefits.

Why this Benefits You

Solution-oriented. No other care solution matches the depth of support provided by our master's degree-level Care Partners, informed by 5+ years of experience in the field, to proactively solve your employees' most time-consuming tasks and identify and address downstream risks.

Global. Grayce supports families in more than 30 countries and 250 languages, with more than 30% of support currently delivered outside the US.

Personalized. Grayce's tech platform meets employees where they are, tailored to their preferences, from concierge services to self-serve benefits, events, and resources.

Who Is Grayce?

Grayce stands alone as the ultimate family care solution for modern workplaces, fostering peak performance and retention among employees worldwide by solving their full spectrum of care challenges at home—from starting a family to navigating end-of-life care, and every significant milestone in between.

According to Grayce, 85% of employees said they'd be more likely to stay at their employer because of their comprehensive benefit offering. Grayce's personalized technology platform is enhanced by 1:1 support from master's degree-level Care Partners, who provide expert guidance and extensive concierge services to take the burden off your employees.
