

The Next Generation of Identity & Privacy Protection

We are proud to have Allstate Identity Protection as a part of our Pinnacle Partner Program. You trust us to ensure your workforce has the benefits and programs they need, when they need them. We trust our Pinnacle Partners to help us deliver on that promise. These partnerships, grounded in empathetic experiences and state-of-the art innovation, guarantee quality products and services with secure and seamless integrations.

Solutions for You

Your workforce deserves to feel safe, confident and secure in their personal and professional lives. But the digital footprint that now exists for the vast amount of your workforce may leave them vulnerable to those with ill intentions. Provide a new level of identity protection for your workforce.

Our Relationship

Businessolver's integration and partnership with Allstate Identity Protections offers your employees peace of mind. They will be backed by the most advanced identity and privacy protection available. Learn how this partnership makes providing your employees with a new level of protection easier than ever before.

Innovative: Your employees will have intelligent technology behind them as they enroll in benefits and put them to work.

Service: We provide a streamlined implementation process that removes the headaches for you and ensures your employees have the help they need, when they need it most.

Secure: Clearly, we take security very seriously. With both organizations, you can rest assured that we are committed to protecting you and your employees' data throughout the benefits process and beyond
