

Spending Accounts Administration

Backed by Discovery Benefits, we're able to seamlessly help you help employees keep more of their hard-earned money – while getting the healthcare and services they need. We focus on providing the right solutions while simplifying employee benefits administration for our clients.

FULLY INTEGRATED INTO BENEFITSOLVER®, DISCOVERY EASES ADMINISTRATION AND COMPLIANCE TO DELIVER HSA, HRA, FSA & COMMUTER BENEFITS THAT ARE:

- **Simple.** Use the same benefits debit card for all spending account products. Participants enjoy easy and streamlined convenience, and the ability to order additional cards at no charge for spouses, children, or other dependents. Administrators get the peace of mind of single-source technology to ensure accurate balances and avoiding excessive contributions.
- **Flexible.** As a leading spending accounts administrator, Discovery offers participants a number of convenient payment options for their expenses. Submit a pay-the-provider request online and payment is sent directly to the healthcare provider within 2-3 business days. Or, select the Claims Sync option and easily monitor incoming insurance claims; find one that needs payment and simply click submit. Of course, the benefits debit card is always available at their fingertips for point-of-service payment.
- **Integrated.** Strong integrations save everyone time and stress in the set-up process and ongoing administration. Discovery Benefits has become a true industry leader in spending accounts administration with its ability to integrate with platforms and technologies like Benefitsolver.
