Transparency Solution & Provider Rating Tool

Are your employees overpaying for their healthcare services? Prices for healthcare procedures can vary by 500 percent or more – even within the same network! Let Businessolver® turn your employees into smart shoppers. With our transparency solution and provider rating tool powered by Healthcare Bluebook, we make it easy for your employees to find the best providers at the best price, saving your employees on out-of-pocket costs all within the Benefitsolver® system. What does this mean for your organization? **Savings!** Our solution makes shopping for healthcare services simple and straightforward.

LET TRANSPARENCY RULE THE DAY, AND SEE HOW WE CAN HELP YOUR EMPLOYEES MAKE MORE INFORMED HEALTHCARE DECISIONS, SAVING YOU MONEY:

- **Cost Transparency** - Make it easy for your employees to discover the fair price for medical procedures and find the nearest healthcare providers that offer those fair prices — all in just a few clicks.

- **Quality Transparency** – Discover which hospitals are ranked nationally by procedure to show your employees the top and bottom performing hospitals in their local market.

- **Track Outcomes** – Track improvements through our procedure-specific reporting, which allows you to see where your employees are receiving care — and precisely how their healthcare decisions impact your overall savings.

- **Smart Analytics** - Determine exactly how cost and quality variance affects your health plan performance — and impacts employees' costs — so you can identify the best way to create savings for your organization.
